

Pools.
Driveways.
Alfrescos.
Internal Polished Floors.

Architectural Concrete Colour Range

Smooth. Sleek. Seamless.

A million-dollar look,
without the price tag.

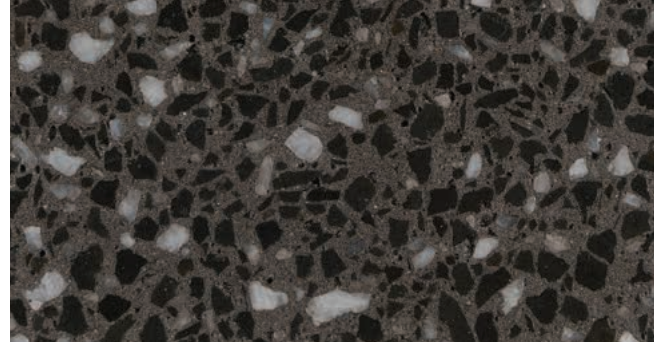

Limecrete PoolEdge is sleek, seamless and – at around the same price as conventional bullnose paving – it's affordable too.

Please note: All brochure, images, samples and other display projects are indicative and illustrative only of the type of finish expected. No guarantee of the products' colour or texture is given or implied. The colours pictured in this Inspiration Guide are based upon a sealed surface. Limecrete highly recommends viewing physical samples at one of our display locations before a final concrete colour selection is made.
